

Applicant: Charles C. Freeny, Jr.  
Title: **SPLIT PERSONAL COMPUTER SYSTEM**  
Serial No.: 09/443,125  
Filed: November 18, 1999  
Atty. Dkt. No.: 2551.032

**In the Specification:**

Page 1, line 3, delete "Not applicable", and substitute therefore the following:

**B1**  
--This is a continuation of U.S. Serial No. 09/014,859, entitled SPLIT PERSONAL  
COMPUTER SYSTEM, which was filed on January 29, 1998 and which is hereby  
incorporated herein by reference.-- **D**

**In the Claims:**

**Amend Claim 1 as follows:**

**Sub D1**  
**B2**  
**cm.t**  
1. (Once Amended) A split personal computer system for selectively  
processing video portions, input/output portions, computational portions and storage  
portions of personal computer tasks, comprising:  
a remote portion adapted to selectively perform the computational portions and the  
storage portions of the personal computer tasks;  
a local portion remotely located with respect to the remote portion and adapted to  
selectively perform the video portions and the input/output portions of the  
personal computer tasks, the local portion comprising:
